

NEED HELP MARKETING YOUR CEREC® SERVICE TO POTENTIAL PATIENTS?

You have to remember that although you have heard much about Single Visit Crowns, most patients have not. When people do learn of this service, it generates a lot of interest. Incorporate CEREC® in all of your marketing efforts, whether it's direct mail, publication advertising, social media or the local street fair.

BE SURE YOUR OFFICE IS UP TO DATE WITH CEREC® MARKETING PIECES.

You already have the perfect stage to start promoting your new CEREC technology – your current patients. Take every opportunity you can to make them aware that this new CAD/CAM technology is available to them. From posters in the waiting room to brochures at the reception desk, having CEREC print collateral in your office is a great way to get the word out about your new technology.

LET US HELP YOU MARKET YOUR CEREC® SERVICE TO YOUR CURRENT PATIENTS.

We can help you contact your patients outside the office to introduce them to your new single visit dentistry service. Whether your patient visited last week or last year, let them know that this service is now available to them.

CHECK OUT OUR FREE TOOLS TO BRING YOUR WEBSITE UP TO CEREC® SPEED.

Whether your potential new patients learn about your practice by referral, web search, radio, publication ad or direct mail campaigns, the majority will visit your website before they make an appointment. Make sure it shows off your new CAD/CAM service and provide information about you and your practice.

Updating your website with helpful information on your CEREC® services is a fast and simple way of letting current and prospective patients know you offer a new smile in one visit.
